## Assembly on Teamwork by Class IV C

**“Alone we can do so little; together we can do so much.”**

**- Helen Keller**

The students of Class IV C conducted a thoughtful and vibrant morning assembly on the theme **“Teamwork”** on 6th August 2025.

The programme began with a serene shabad, setting a peaceful and respectful tone for the day. Hosts Taashi and Tanisha warmly introduced the theme, highlighting the importance of working together and supporting one another.

The assembly continued with an inspiring Thought of the Day: “Teamwork divides the task and multiplies the success.”

Students also introduced key vocabulary related to the theme—**cooperation** and **collaboration**—helping their peers understand the value of unity and joint effort.

A short Hindi poem beautifully emphasised collective strength, followed by a dramatic storytelling performance about pigeons escaping a trap through teamwork. The story was brought to life with clarity and confidence, leaving the audience with a powerful message: challenges become easier when we stand together.

The assembly concluded with words of appreciation and encouragement from a teacher, who praised the students for their confident presentation and meaningful performances. It showcased creativity, coordination, and communication—an inspiring example of the great things that can be achieved through teamwork. The event ended with the National Anthem.
