To mark the occasion of *International Tiger Day*, a special school assembly was held on 30th July 2025 with the objective of spreading awareness about tiger conservation and emphasising the importance of maintaining ecological balance.

The assembly, presented by the students of Class IV-B, began with a soulful *Shabad*, creating an atmosphere of peace and devotion. The programme concluded with an inspiring address by the Headmistress, Ms. Shikha Dhameja, who praised the efforts of the students and reminded everyone of their responsibility as future citizens to care for wildlife and protect endangered species. The assembly ended with the rendition of the national anthem.

Overall, the event was a great success. It raised awareness among students about the vital role tigers play in sustaining a healthy ecosystem and reinforced the message that “*When we protect tigers, we protect the entire ecosystem.*”
