## REPORT ON MODEL UNITED NATIONS 2025-26

The Social Science Department of JKPS proudly hosted the first-ever JKPS Intra Model United Nations 2025 on 6th August, transforming the school into a miniature United Nations. The corridors echoed with diplomacy, debate, and the determined footsteps of young leaders in the making. Delegates representing various countries, political parties, and media organizations gathered to address some of the most pressing issues of our times, displaying the perfect blend of intellect, creativity, and collaborative spirit. The programme commenced with a soulful Shabad recitation, invoking divine blessings for the day.

Organized under the leadership of **Principal ma'am Mrs. Asha Saran Srivastava** and coordinated by **Mrs. Sonia Verma**, the conference was inaugurated by Secretary-General Ms. Guneet Kaur. In her address, the principal ma'am highlighted the need for critical thinking, diplomacy, and global awareness, inspiring delegates to engage wholeheartedly.

The day unfolded through the work of four dynamic committees:

- **United Nations Commission on the Status of Women (UNCSW) for Classes IX to XII**— deliberated on bridging the global gender pay gap.
- **United Nations Environment Programme (UNEP) for Classes VI to VIII**— addressed the issue of combating plastic pollution.

- **All India Political Parties Meet (AIPPM) for Classes IX to XII** — debated on content moderation and censorship.

- **International Press (IP) for Classes VIII to XII** — creatively documented the proceedings with caricatures, reports, and photography.

The event was graced by the Guest of Honour, **Dr. Gurdeep Kaur**, and the esteemed **Vice Chairperson Ma'am Mrs. Rasna Singh Ji**, whose presence added inspiration and encouragement to the young delegates. Both dignitaries appreciated the efforts of the participants and emphasized the significance of such platforms in shaping responsible global citizens. The event concluded with the Awards Ceremony, where certificates were conferred upon the Best Delegate, High Commendation, and Special Mention awardees across all committees, along with recognition for the Best Photographer and Best Caricaturist from the International Press Committee.

As the gavel fell for the final time, the JKPS Intra MUN concluded on a note of pride and promise, setting a distinguished precedent for future editions and reaffirming the school's commitment to nurturing responsible and confident global leaders.
