### Class 1 Competition- State Costume Parade

The Class 1 Competition “Proud in Our Traditions – States Costume Parade” was held on 20.11.25 in the school auditorium. Students from Roll No. 29 to 41 participated enthusiastically, showcasing traditional costumes of different Indian states and speaking for 1–2 minutes about the state, the outfit, and its cultural significance. The event celebrated India’s diversity and helped students build stage confidence and speaking skills. Participants were judged on authenticity of costume, clarity, confidence, and expression. Parents were requested to send the school uniform for changing after the competition.

## Describing Words-Speaking Activity

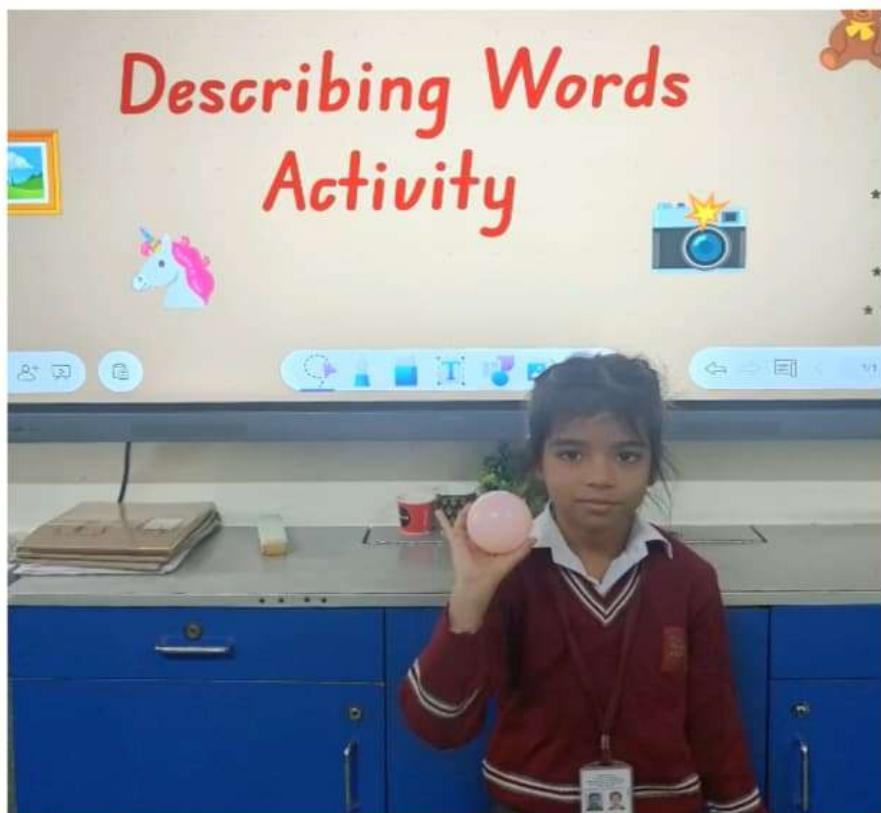

A speaking activity on Describing Words was conducted for Class 1 students, where each child brought a simple object from home such as a toy, spoon, leaf, soft ball, or pencil box. Students described their object using adjectives based on colour, size, shape, texture, and any special feature. The activity aimed to enhance vocabulary, observation skills, and confidence in speaking. Children participated enthusiastically and expressed themselves creatively, making it a fun and meaningful learning experience.

## Tails of Animals

A fun and interactive EVS activity titled “Guess the Animal by Its Tail” was conducted for Class 1 students. In this activity, children watched short video clips showing only the tails of different animals and tried to guess the correct animal. The activity helped students observe carefully, think critically, and apply their knowledge about animals and their body parts. Students participated enthusiastically and enjoyed identifying animals within a few seconds. This engaging session supported learning in an exciting way and strengthened their visual recognition, reasoning skills, and vocabulary related to animals. It was a joyful learning experience for everyone.

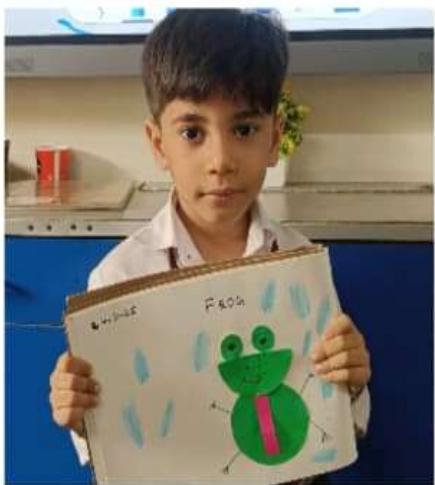

## **Paper Frog Craft Activity**

A creative Paper Frog Craft Activity was conducted during the Art period for Class 1 students. Children used basic craft materials such as two big green circles, two small circles for eyes, googly eyes, green and black sketch pens, a red paper strip, and Fevicol to make a cute 3D frog. The teacher guided the steps, and students cut, folded, and pasted the pieces to form the frog's face, body, and tongue.

The activity helped enhance fine motor skills, hand-eye coordination, creativity, and concentration. Students enjoyed making their colourful frogs and were excited to display their artwork. It was a joyful and engaging learning experience that encouraged imagination and craft skills.

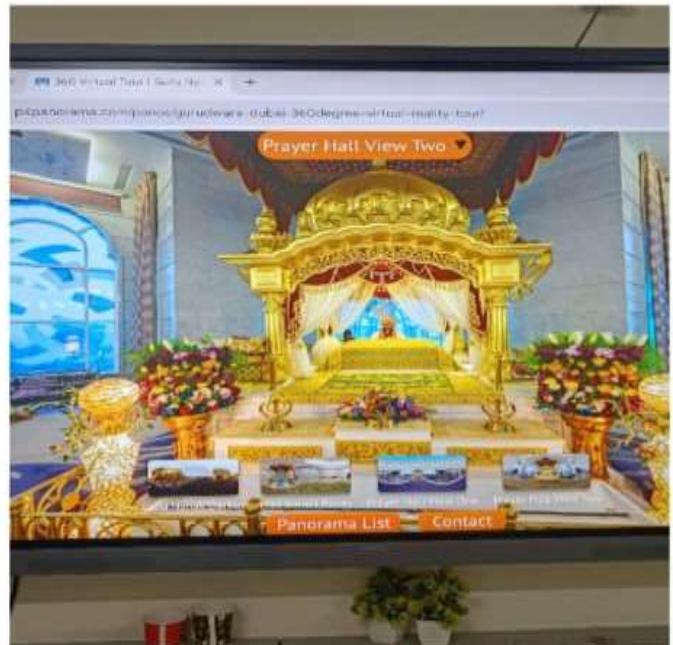

## **Virtual Gurudwara Tour: Gurupurab Activity**

On the special occasion of Guru Purab, an educational and devotional activity was organized for Class 1 students, where children participated in a 360° Virtual Tour of a Gurudwara. The guided virtual experience helped students explore the inside view of the holy place, including the Darbar Hall, Guru Granth Sahib Ji, the Langar Hall, and the peaceful prayer area. The activity aimed to help children understand the importance of Gurudwara, Sikh values of equality, service (Seva), sharing, and unity, and to connect them with cultural and spiritual heritage. Students observed how people sit together in the Gurudwara, listen to Shabad Kirtan, and take Prasad with respect.

Children enjoyed the tour with great curiosity and shared their reflections on what they learned. It was a meaningful and enriching experience that promoted respect, love, and harmony among students.

## ASSEMBLIES

### Children's Day Special Assembly (Class I-A and I-B)

A special assembly was organized on 11 November 2025 by Class 1A and 1B to celebrate Children's Day with the theme "Children – The Heart of Our School." The assembly began with a welcome and prayer, followed by a Thought for the Day. Students shared key facts about Children's Day, explaining that it is celebrated on 14th November to honor Pandit Jawaharlal Nehru, who loved children dearly.

Students beautifully presented a poem titled "Little Smiles" and performed an engaging role-play, portraying different teachers and sharing positive messages about love, learning, happiness, and teamwork. The program concluded with a joyful dance performance on "Lakdi Ki Kathi," spreading cheer and excitement.

The assembly provided a platform for students to build confidence, expression, and public speaking skills, making the celebration enjoyable and memorable for all.

## I-C Assembly

Class 1C conducted a special assembly on National Education Day to celebrate the birth anniversary of Dr. A. P. J. Abdul Kalam, a great scientist and an inspiring educationist. The students spoke about how education can change the world and help us become responsible and confident individuals. They also shared a few lines about our current Education Minister, Shri Dharmendra Pradhan, and his efforts to improve education in India. The assembly featured a motivational poem on education and concluded with an energetic dance performance, filling everyone with enthusiasm and joy. The program motivated all students to value learning and always strive for excellence.

## I-D Assembly

Class 1D conducted a special assembly to celebrate Constitution Day with enthusiasm and pride. The programme began with a short introduction to Dr. B. R. Ambedkar, the chief architect of the Indian Constitution. Students also learned the meaning of the Constitution—the rulebook that guides our nation—and proudly shared that India has the longest written Constitution in the world.

As a contribution to this day, the students created their own Mini Constitution, writing simple rules to follow at home, in school, and everywhere to help make India a better place.

The assembly concluded with a joyful song and a foot-tapping dance performance on “I Can Follow the Rules,” spreading the message of responsibility and good citizenship.

## **CHILDREN'S DAY CELEBRATIONS**

Children's Day was joyfully celebrated on 14th November 2025 by the students of Class 1, filled with exciting activities planned to make the day special and memorable. Students enjoyed a Movie Theatre Experience in the school auditorium, where they watched an engaging children's movie and shared popcorn just like a real cinema setting. After the movie, students participated in a Circle Time Reflection, where they happily shared their favourite scenes and learnings.

The celebration continued with a fun Art with a Twist activity, where children created drawings without looking at the page, encouraging imagination, observation, and creativity. To conclude the day, students enjoyed a lively Class Party with music, snacks, and joyful moments spent together.

The celebration helped children build confidence, express emotions freely, and create beautiful memories with peers. It was a delightful and meaningful Children's Day for all.

## **BAGLESS DAY**

**26<sup>th</sup> November, 2025**

### **Out of the Box Activity**

As part of Bagless Day, students participated in a creative “Out of the Box” activity designed to spark imagination and originality. Children were given a simple drawing on a worksheet and were encouraged to transform it into something completely new using their creativity. This activity helped students think differently, visualize possibilities, and express ideas in unique ways. It enhanced creative thinking, imagination, observation, and drawing skills. Students enthusiastically shared their creations, making the session joyful and inspiring.

## **Move and Match Trail**

The Move and Match Trail was an energetic and engaging movement-based activity conducted to keep children active and excited. Students followed different symbols placed on tables and performed actions such as clapping, tapping, jumping, or swirling. This fun-filled activity encouraged coordination, quick response ability, body movement awareness, and concentration. Children enjoyed following actions in rhythm and participated with great enthusiasm, making the learning experience lively, collaborative, and enjoyable.

## मात्रा चक्र घुमाएँ और शब्द बनाए

कक्षा 1 के विद्यार्थियों ने मात्रा चक्र गतिविधि में उत्साहपूर्वक भाग लिया। बच्चों ने चक्र को घुमाकर विभिन्न मात्राएँ चुनीं और उनसे नए-नए शब्द बनाए। सभी विद्यार्थियों ने रुचि और आनंद के साथ शब्द बोलने एवं पहचानने का अभ्यास किया।

इस गतिविधि ने बच्चों में भाषाई समझ, शब्द-निर्माण कौशल और आत्मविश्वास को बढ़ाने में मदद की। बैगलेस डे का यह सीख-भरा पल बच्चों के लिए आनंददायक और उपयोगी रहा।

## Class II

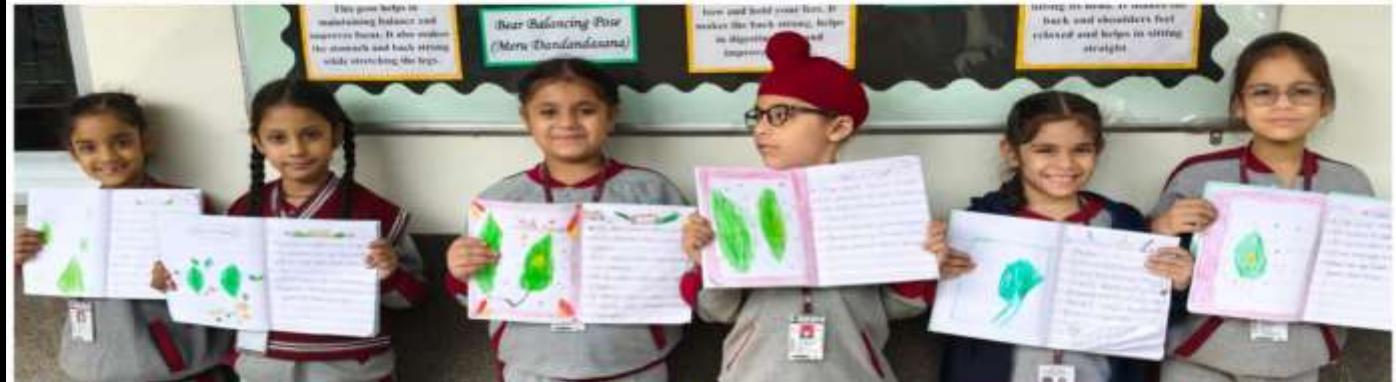

### Activities

#### Green Impressions

Students of Class 2 joyfully participated in a meaningful EVS activity titled Green Impressions. As part of this creative exercise, children traced leaves in their classwork notebooks and wrote a “Plant Friendship Pledge,” promising to care for plants and protect the environment. The activity helped young learners connect with nature while expressing their thoughts through simple yet thoughtful pledges. With enthusiasm and creativity, the students beautifully showcased their love for greenery, making the classroom experience both engaging and memorable.

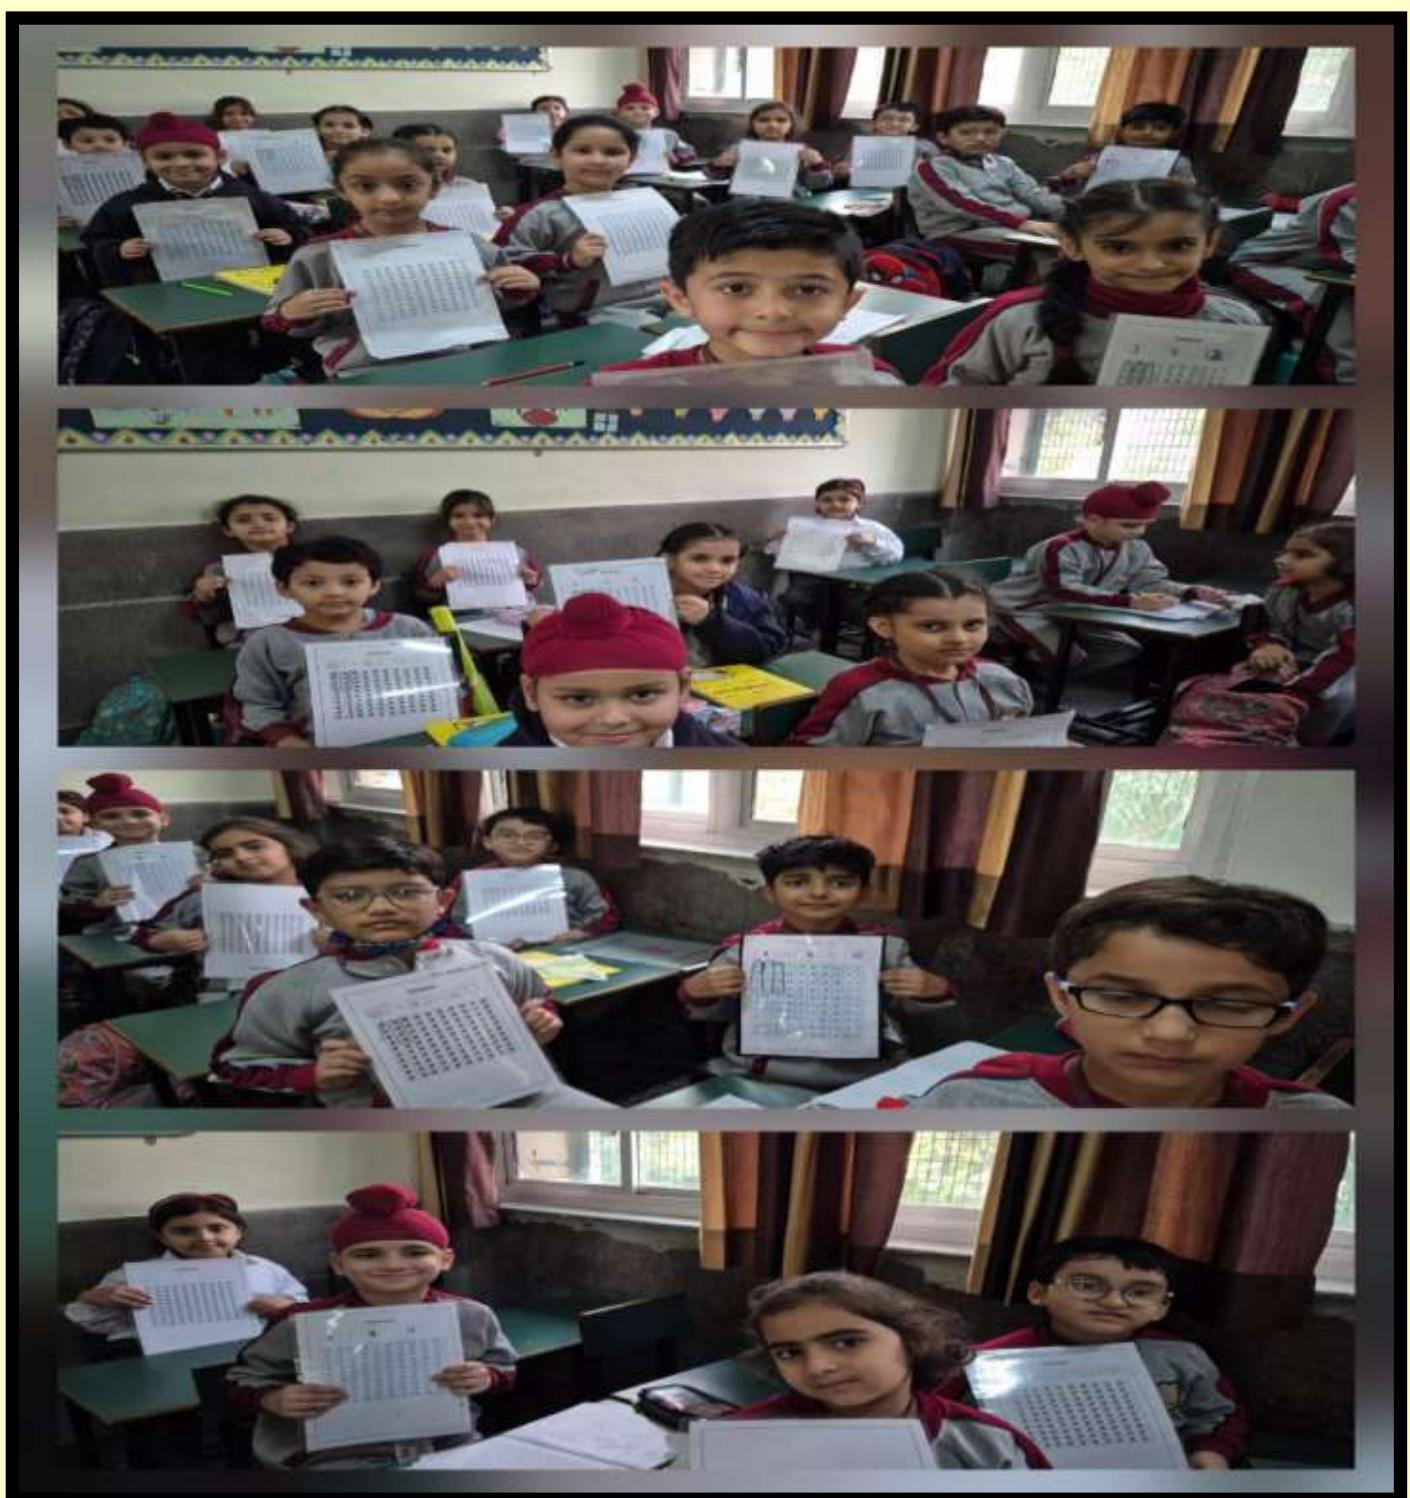

## **Bagless days**

### **Fun with Multiplication Activity**

Our young learners enthusiastically participated in the Fun with Multiplication activity, making math an exciting and engaging experience. Students brought their laminated activity sheets and paired up in groups of two to explore multiplication through interactive games. Using their tables, sketch pens, and quick thinking, they solved problems, challenged each other, and strengthened their numerical skills with joy. The collaborative setup not only improved their understanding of multiplication but also encouraged teamwork, confidence, and active learning. The classroom buzzed with energy as children enjoyed turning numbers into a fun-filled adventure.

### **Blindfold Drawing Activity – Children’s Day**

As part of the Children’s Day celebrations, students enjoyed a delightful Blindfold Drawing Activity in the classroom. With their eyes gently covered, the children followed the teacher’s instructions to draw a face on their sheets of paper and then colour it. When they finally removed their blindfolds, the room filled with giggles as they saw the funny and unique faces they had created. Each drawing was different and full of charm. The activity brought joy, surprise, and lots of laughter, making it a truly memorable and fun-filled experience for everyone.

### **Lively ball-game activity**

A lively ball-game activity was organised on November 12th for Class 2, filling the day with excitement and joyful energy. Children balanced a ball between their body and carefully moved towards the finish point, learning teamwork, focus, and coordination along the way. The activity encouraged cooperation as they cheered for one another and enjoyed every moment. Laughter, learning, and fun blended beautifully, making the session memorable and truly enjoyable for all.

### **Movie Time –Madagascar**

Students of Classes 1 and 2 enjoyed an exciting movie time in the school auditorium, where they watched the animated film Madagascar. The children were delighted by the colourful characters, fun adventure, and lively music. Their laughter and cheerful reactions filled the auditorium, creating a joyful atmosphere. The movie not only entertained them but also taught lovely messages about friendship, courage, and teamwork. It was a refreshing break that the students thoroughly enjoyed, making the movie-time experience truly memorable for all.

## Special Assembly

The special assembly on Guru Nanak Jayanti began with a soulful Shabad and a thoughtful Thought for the Day. The speakers beautifully shared the teachings and life lessons of Guru Nanak Dev Ji. A short story, Sauta, was presented for the Children, followed by the chanting of the Mool Mantra. The students also spoke lines highlighting Guru Nanak Dev Ji's life and message. The assembly concluded with the children explaining the essence of his teachings—

Naam Japo, Vand Chhako, and Kirat Karo.

## Class III

### Competition- Rainbow of life in its seven colours

To celebrate the beauty and balance of nature, Class III students of Jaspal Kaur Public School enthusiastically participated in a theme-based speaking competition titled “*A Rainbow of Life in Its Seven Colours*” held on 11th November, 2025 (Tuesday).

The event highlighted seven essential elements of life — Sun, Air, Water, Plants, Animals, Earth, and Soil. Each participant confidently spoke or recited a short poem on one of these vital components, expressing their importance in sustaining life.

Dressed in vibrant costumes and using simple props, the children brought the elements to life with creativity and innocence. Their performances shared meaningful messages about conservation, harmony, and gratitude toward nature.

The competition encouraged public speaking, creativity, and environmental awareness. Students were assessed on Content, Creativity, Expression, and Overall Presentation, with certificates awarded to the best performers. Yet, every child emerged a winner through active participation and effort.

The event truly reflected the school’s commitment to nurturing confidence, imagination, and a sense of responsibility toward nature — reminding us that together, we form a beautiful rainbow of life!

## **Children's Day Activities**

### **Assembly By Teachers**

A special assembly was conducted to celebrate Children's Day, observed on the birth anniversary of Chacha Nehru, who loved and believed in the power of children. To make the day joyful and memorable, the teachers put up a delightful programme for the students. They performed lively dances and presented an engaging skit highlighting the importance of good habits such as kindness, cleanliness, respect, and honesty. The enthusiastic performances filled the hall with excitement and laughter. The assembly not only entertained the children but also encouraged them to follow positive values, making the celebration both meaningful and fun.

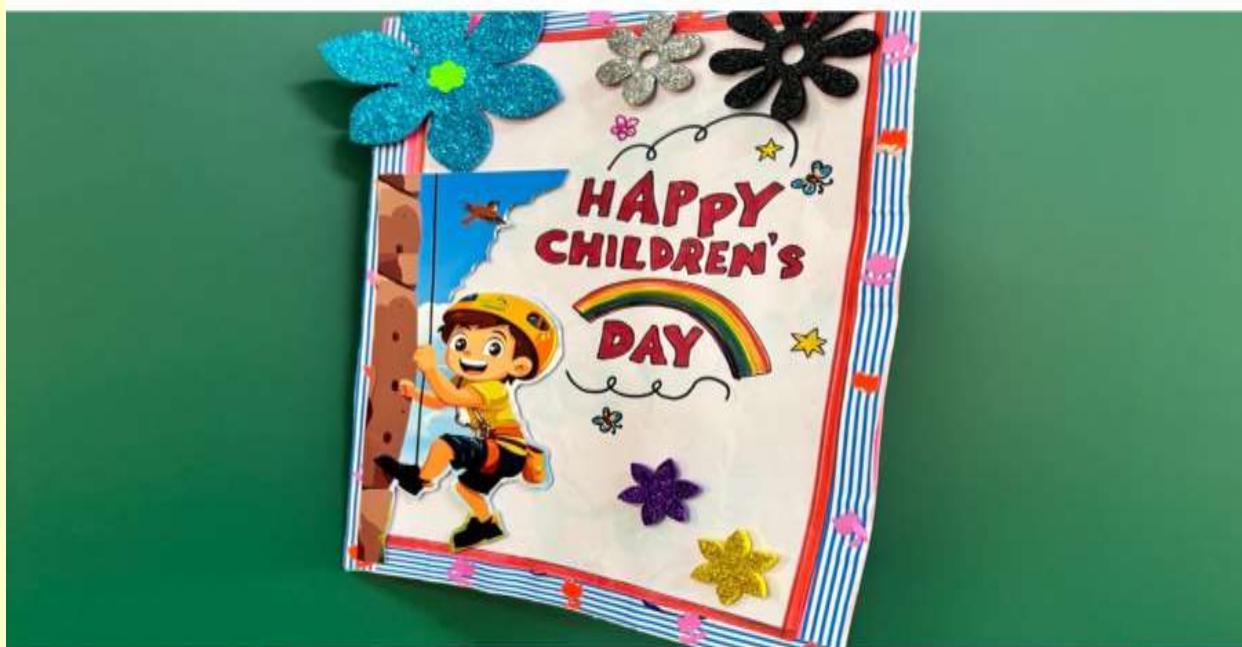

## Shilpkar Craft Workshop & Class Celebration

A special craft activity was conducted by a resource person to introduce students to Shilpkar clay. The children learned how to mould the material and create beautiful wall art pieces and fridge magnets. This hands-on workshop encouraged creativity and improved fine motor skills, giving students the joy of making their own artistic creations.

To make the day even more memorable, the children enjoyed watching a movie together and later had a lively class party. The teachers also prepared handmade cards for each child as a gesture of love, appreciation, and support. The combination of learning, fun, and heartfelt surprises made the day truly special for all the students.

### Early Man Timeline Activity

Students of Class 3 participated in an engaging activity where they created a timeline of Early Man. Through pictures and simple notes, the children explored important stages of human development—discovering fire, inventing the wheel, learning to farm, making sharp tools, living near water bodies, and taming animals. This hands-on activity helped them understand how Early Man's life slowly changed over time. The timeline not only made the concept easier to grasp but also encouraged creativity, teamwork, and curiosity about our past.

### III-C

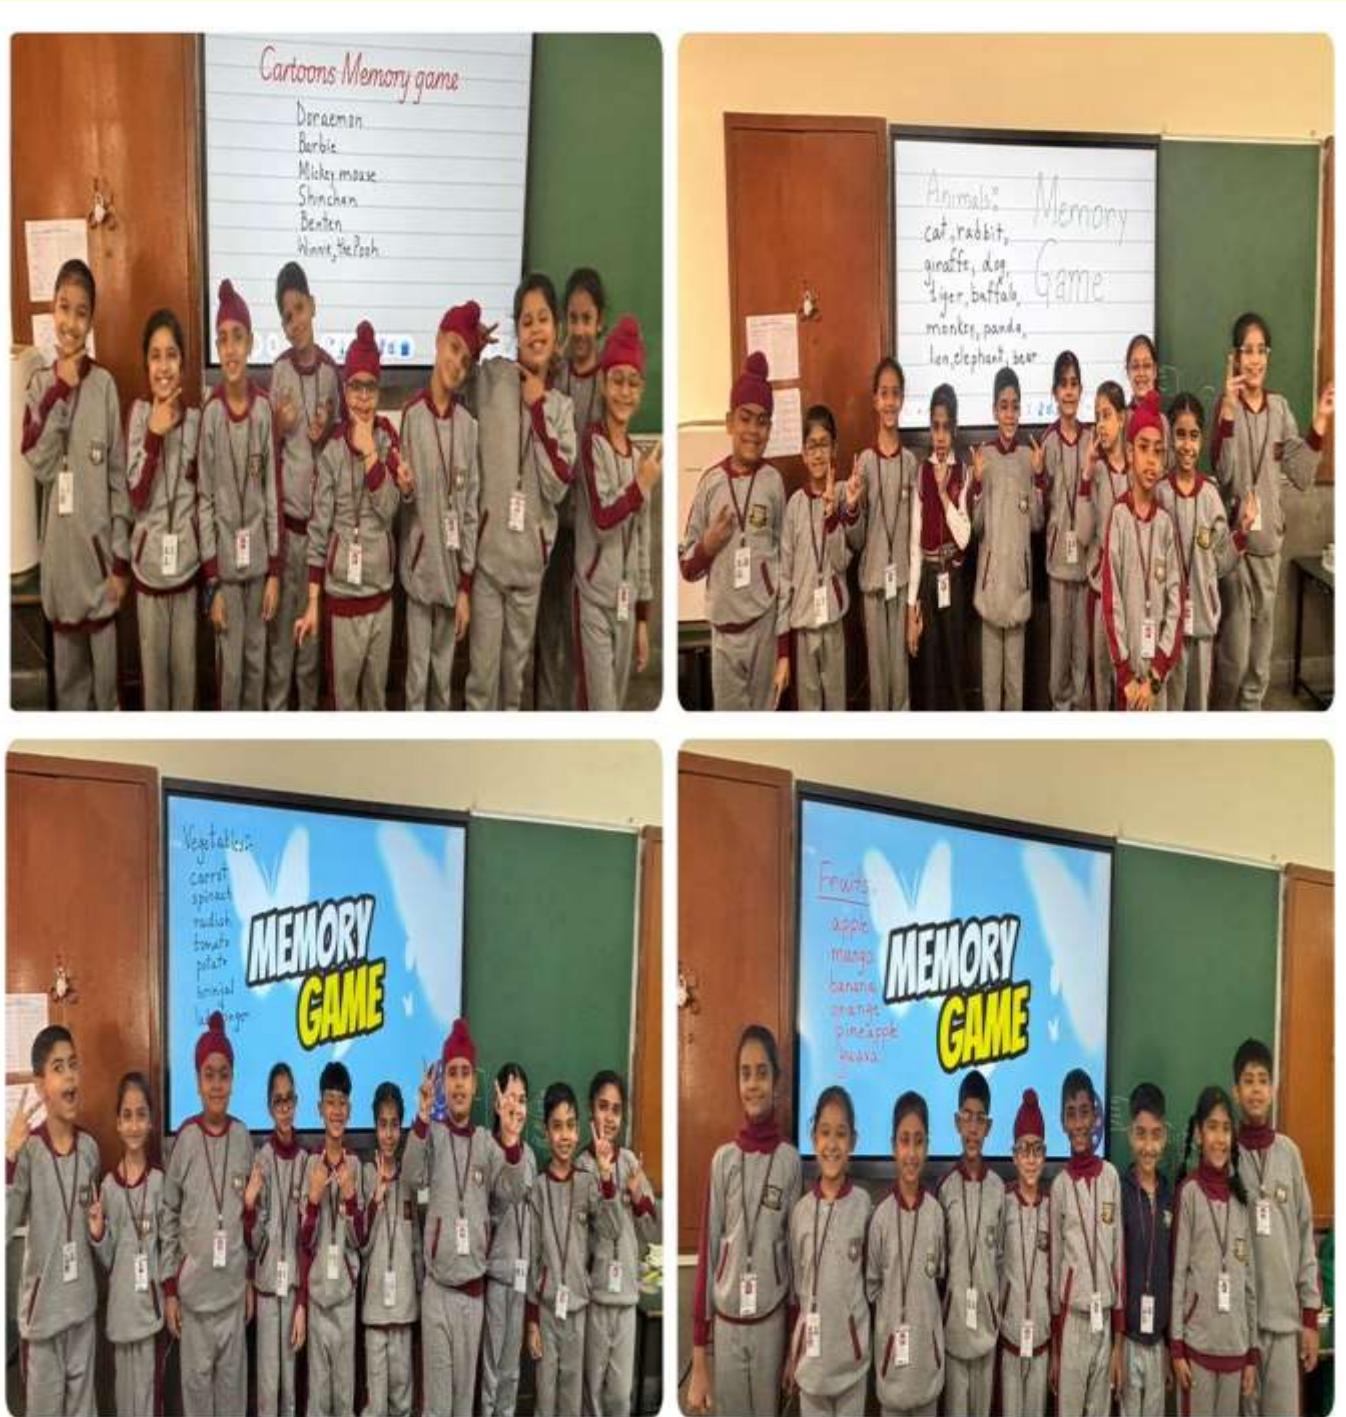

## Memory Game

Class 3 students participated in a fun and interactive Memory Chain Game. The children were divided into groups of seven, and each group worked together to build a chain of words. The first child began with one word, and every child added one more word to the chain, repeating the entire sequence before adding their own. This activity helped the students strengthen their memory skills, develop concentration, and practice quick thinking. Some groups even managed to form meaningful and creative sentences. The game brought excitement, teamwork, and laughter to the classroom while supporting important cognitive skills.

## **Bagless day Activities**

### **Flipbook activity on Verb tenses**

Class 3 students participated in a simple and engaging Flipbook Activity to practise the concepts of past, present, and future tense. Each child wrote three short sentences—one in each tense—and arranged them with matching pictures to create their own mini flipbook. The activity helped them clearly understand how verb tenses change with time.

Through this hands-on task, students enjoyed learning grammar creatively while strengthening their understanding of tenses in a fun and memorable way.

### III-B

### III-C

III-D

## **Direction Game**

To help students understand how to follow directions on a map, a simple and interactive activity was conducted. In this activity, students followed basic instructions such as taking one step forward, turning left, and turning right. Through this hands-on practice, they learned how to read and follow directions accurately while observing any map.

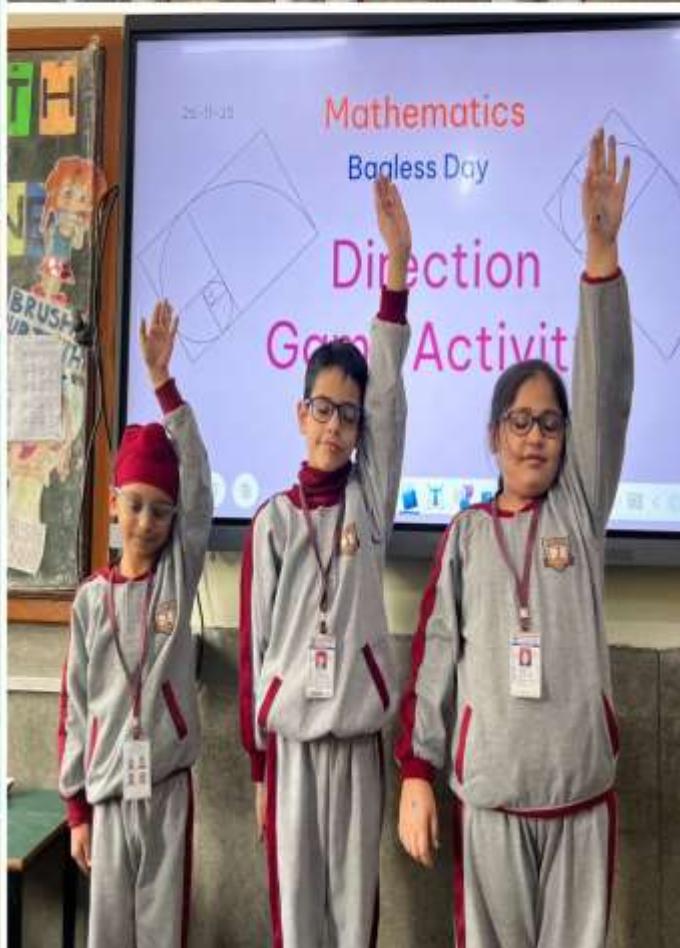

The activity made the concept enjoyable and helped students build confidence in understanding movement and navigation skills.

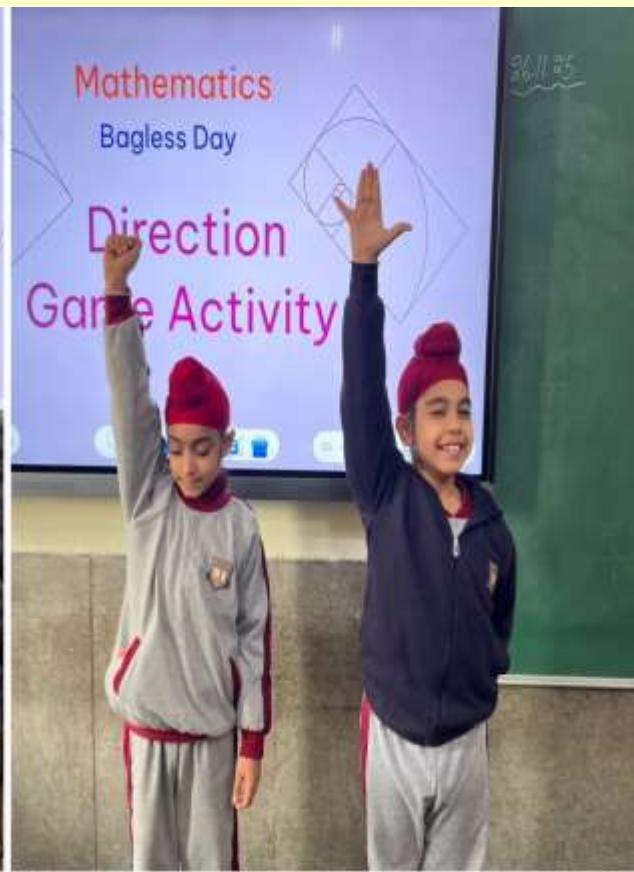

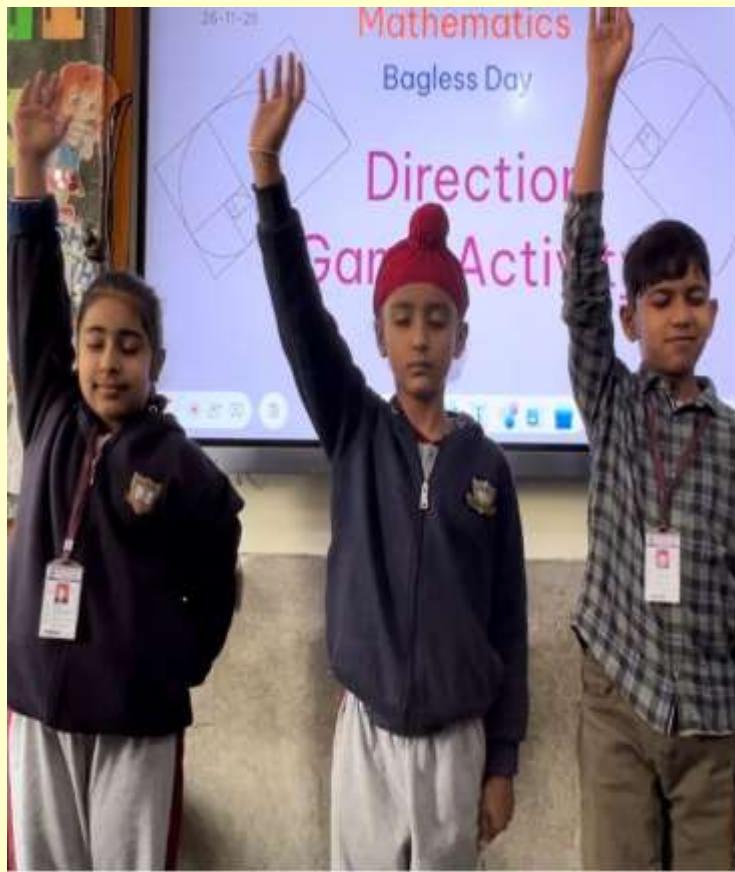

III-A

### “सोचो और रचो” गतिविधि

आज कक्षा तीन में बैगलेस डे के अंतर्गत “सोचो और रचो” गतिविधि का आयोजन उत्साहपूर्वक किया गया। बिना किताब—कॉपी के विद्यार्थियों ने अपनी कल्पना और रचनात्मक सोच को खुलकर अभिव्यक्त किया। पेड़ क्या कहेंगे, जादुई पैसिल क्या बनाएगी, सूरज की छुट्टी पर क्या होगा—जैसे प्रश्नों ने बच्चों में जिज्ञासा और सृजनशीलता को प्रोत्साहित किया। विद्यार्थियों ने अपने सपनों के स्कूल और अच्छे दोस्त की विशेषताएँ भी सुंदर शब्दों में लिखीं। यह गतिविधि बच्चों के सर्वांगीण विकास के लिए अत्यंत प्रेरक सिद्ध हुई।
