Class VII-C Assembly Report

“School Bells Are Ringing Loud & Clear; Vacation’s Over, School Is Here.”

The students of Class VII-C conducted a cheerful *Welcome Back* assembly on **July 4, 2025**, to warmly greet everyone after the summer break. The assembly began with a soulful *Shabad*, seeking blessings for a positive and enriching term ahead. This was followed by an uplifting thought for the day.

To enhance vocabulary, two new words were introduced, along with their meanings and example sentences. A heartfelt welcome speech was delivered by the students, followed by a recitation of the English poem “*Welcome Back*.” Adding to the linguistic richness, the Hindi poem “आओ स्कूल चले” was also recited with enthusiasm.

The assembly also featured a video presentation on the **Dolphin Conservation Mass Awareness Program**, aimed at sensitising students to the importance of marine life preservation. In support of *Project Dolphin*, students took a pledge to protect and conserve dolphins and promote environmental awareness.

Outstanding performers in various fields were recognised and awarded, encouraging a spirit of achievement and inspiration among peers.

The assembly concluded with **encouraging words from our Principal Ma’am and Headmistress Ma’am**, who appreciated the efforts of the students and emphasised the importance of starting the new term with enthusiasm, discipline, and a commitment to learning.

The program concluded with the singing of the National Anthem, marking a thoughtful and enthusiastic start to the new term.
