Class Pre- Primary

“When school and family join hands, they create a symphony of support, nurturing each child's journey towards excellence.”

Dear Parents

We are thrilled to introduce an exciting new initiative aimed at nurturing stronger bonds between parents, children, and teachers within our JKPS community. With a firm belief in the importance of collaborative efforts in education, we are delighted to announce the launch of our Parent-Child Activity Day Program on Saturdays, catering specifically to our parents and our little ones in Pre-Primary class. The first event is scheduled to take place on **Saturday, April 20, 2024**, and we cordially invite parents of students in Pre-Primary classes with **roll numbers 1-20** to participate in this special occasion to begin with.

The purpose of this event is to foster stronger connection between parents, children, and teachers within our school community. By actively engaging in activities together, we aim to create meaningful experiences that will deepen the bond between families and the school. The activities planned for the day include art and craft, experiments, games, and storytelling sessions, all designed to cater to a wide range of interests and spark curiosity and love for learning. These activities will take place in designated classrooms, offering a comfortable and familiar setting for both parents and children.

The first event is being organized for **roll numbers 1-20 for each section of Pre-Primary**, and details for subsequent events will be communicated later.

Day / Date: Saturday, April 20, 2024

Timings: Group 1: Roll numbers 1-10 from 8:30 AM to 10:00 AM

Group 2: Roll Numbers 11-20 from 10:30 AM to 12:00 noon

As we come together to strengthen and celebrate this bond, we kindly request your cooperation with the following guidelines:

1. Please ensure students come to school with their parents and wear their school uniform.
2. One parent to accompany each child. Parents, please wear comfortable clothes.
3. Join in and have fun with your child during the scheduled activities.
4. To fully engage in the activities, we request you to avoid using electronic devices.

Your presence and participation are invaluable in making this event a success. Together, let us strengthen the bond that unite us as a school community and celebrate the joy of learning and growing together.

We look forward to welcoming you on April, 20 for a memorable and enriching experience.

Warm Regards,

Principal
