Dear Parents,

We hope this message finds you well.

At JKPS, we are dedicated to fostering the holistic growth of our students, balancing academic excellence with co-curricular activities. It was delightful to see enthusiastic participation by our students in the recent **Baisakhi, World Heritage Day, World Book Day, World Pet Day, Athletics Day, and Earth Day etc.** celebrations through special assemblies and activities across all classes. Their energy and passion were truly inspiring.

**Euphoria-A Literary Soiree**, hosted by the English Department, showcased our students' talents through Mono Act performances and Declamation competitions. Their efforts are a testament to their hard work and the supportive environment fostered here at JKPS.

The summer break is a great opportunity to spend quality time together as a family. To use this period constructively, the teachers at JKPS have created the holiday homework to boost our students' creativity, and inquisitiveness and at the same time be in touch with the academics, keeping them positively occupied and stimulated.
