Dear Parents

Greetings from JKPS!

SOF OLYMPIAD (CLASSES I to XII)

In today's interconnected global world, possessing essential skills such as critical thinking, mental agility, and problem-solving has become paramount. Recognizing the significance of these skills, JKPS takes pride in providing a robust platform to nurture these abilities in its students. One of the ways it accomplishes this is by organizing the Science Olympiad Foundation (SOF) Olympiad Exams annually, empowering students to excel in the modern competitive world.

The Science Olympiad Foundation (SOF) is a non-profit educational organization with a mission to foster proficiency in **Science, Mathematics, General Knowledge, and English language** skills among school children not only in India but also in various other countries. To achieve this, they conduct Olympiad Examinations for students from **classes I to XII**, inspiring them to showcase their knowledge and potential in these subjects. At JKPS, we firmly believe in the value of these examinations as they instill confidence and encourage a deeper understanding of the subjects.

Furthermore, we are thrilled to share that CBSE has also taken the initiative to organize the Hindi Olympiad, which will further develop expertise in Hindi language skills among our students. The enrolment to these examinations is purely optional.

Parents who are interested in enrolling their wards for these Olympiads can do so by following the given guidelines:

- The enrolment fee for the **SOF Olympiad is Rs 125** per subject, for the **CBSE Hindi Olympiad, Rs 130 and for Commerce and EP Olympiad, it is Rs 120.**
- Students can pay the exact amount to the class teacher in cash.
- The last date for enrolment is **Thursday, 25 July, 2024**, so we encourage all interested parents to ensure timely registration.
- The exams will be conducted during school hours.
- Admit cards for the exams will also be issued within the school itself, making the process hassle-free for both students and parents.
- To further aid in exam preparation, parents can opt to order **exam preparation booklets**, if needed, through www.mtg.in
- Regular updates and important information will be shared with students on their registered mobile numbers.
