## **"Health Advisory for parents during the monsoon and post monsoon season"**

**Dear Parents**

This is with reference to various advisory circulars received from the DoE regarding the health concerns during the monsoon and post monsoon season. We wish to update you about the same.

- 1. Stop Diarrhoea Campaign (Reference number-DE.23(386)/SchBr/SHP/2024/48-52) dated 26<sup>th</sup> June 2024.**  
Precautions suggested:
  - Wash your hands frequently.
  - Keep your surroundings clean.
  - Use clean drinking water
  - Maintain good personal and food hygiene.
- 2. Precautionary steps to mitigate increasing cases of Conjunctivitis during monsoon and post monsoon months (Reference number-DE.23(386)/SchBr/SHP/2024/59-63) dated 11<sup>th</sup> July 2024:**
  - Wash your hands frequently with soap and apply sanitizers.
  - Wear protective goggles and avoid touching the eyes with unwashed hands.
  - Don't share towels, handkerchief, etc. of the infected person.
  - Avoid crowded places and swimming during those days.
- 3. National Deworming Campaign-Mop up Activity (Reference number- DE.23(386)/SchBr/SHP/2024/54-58) dated 11<sup>th</sup> July 2024:**
  - We strongly advise the parents to consult with the child's pediatrician to schedule deworming sessions for them. Once you have completed the deworming process, kindly provide the information to your child's class teacher for record-keeping. This will help us maintain accurate health records and contribute to the success of the national deworming program, benefiting children aged 1 to 19 years.
- 4. Measures to Prevention and Control of Vector Borne Diseases like Dengue, Chikungunya and Malaria (Reference number- DE.23(386)/SchBr/SHP/2024/64-68) dated 11<sup>th</sup> July 2024:**
  - To avoid mosquito bites, wear full sleeved clothing and use mosquito repellents.
  - Put wire mesh on windows to prevent entry of mosquitos.
  - Cover all water tanks and containers with well fitted lids to prevent breeding of mosquitoes.
  - Change water in pots, containers, flower vases every week.
  - Don't allow water to stagnate in and around houses.

Let's work together to maintain a healthy environment.

**Warm Regards**

**Principal**
