## **Selection Trials for CBSE Games 2024-25**

### **Dear Parents**

JKPS believes that children's growth and development are greatly influenced by their involvement in sports and participation in various competitions. A child who participates in sports gets to learn goal setting, teamwork, discipline and secures the strength to manage real-life challenges. CBSE organizes school sports events at the cluster, zonal, and national levels every year. Upholding the true spirit of sports and preparing the best teams for the upcoming inter-school events, JKPS has decided to conduct selection trials for **all sports** for the upcoming **CBSE Games (2024-25)**. This is a wonderful opportunity for you to showcase your talents and represent our school in various sports competitions.
