JKPS/Revision/2024/25

August 29, 2024

For Class - II

Dear Parents

At JKPS, we are committed to promoting the holistic development of our students, in alignment with the CBSE's **Holistic Progress Card (HPC)** initiative. Our focus is on providing a well-rounded education that cultivates critical thinking, analytical skills, and overall growth. We are happy to witness the active participation of our students and parents in various activities and competitions.

In accordance with CBSE's Circular No. Aff.08/2023 and the NCFFS 2022 guidelines, we have realigned our assessment processes based on the HPC prototype developed by NCERT/PARAKH. This new assessment approach emphasizes regular, formative, and competency-based evaluations with the focus on higher-order skills.
