Inviting Suggestions on the Road Safety Project

(Classes PS to XII)

Dear Parents

The Road Safety Project is a vital initiative aimed at creating a secure environment for everyone, especially our children.

As an integral part of this community, your suggestions and ideas are essential in driving this project forward. Together, we can make impactful changes that will benefit not only present but also future generation.

“Whatever good we do for our children today will sustain and create a brighter, safer future for generations to come”.

Let us join hands to contribute to this noble cause and make our roads safer for all.

What you can do:

1. Understand the progress: We encourage you to go through the details of all stages of the project completed till the end of 2024 through this link:

<https://transport.delhi.gov.in/node/9449>

2. Share your suggestions: Please visit the link provided and submit your suggestions or feedback on this mail id:
