TEACHERS' WEBINARS FOR THE MONTH OF AUGUST 2021 SESSION 2021-2022

Topic CBSE- Webinar on use of Graphic Novels for Effective Learning

Date : 17, August, 2021

Resource CBSE
Presenter

Learning Outcomes

A whole hearted discussion was held on the need to change our mindset and think according to 21st century. The speakers also shed the light upon the idea that today's generation is a Socio-digital generation, so different techniques should be used like learning through argumentation, self-organized learning sessions, brain storming tools, etc. Graphic novels make the teaching learning process very creative and innovative. The difficult concepts can be understood very easily as it is taught in an interesting manner through graphics.
