### **Make Sports-Daily diet**

Date:30 August 2022

It's rightly said, "Sports do not build character, they reveal it."

Whether it is Virat Kohli hugging Babar Azam or Neeraj Chopra defending Arshad Nadeem, sports have become a way of building better and sustainable relationships. Sports is one of those things that transcends all man-made boundaries.

National Sports Day is dedicated to our nation's sports heroes and champions, honouring their contribution and dedication to bringing laurels to the country. The day is celebrated to raise awareness about the values of sports: discipline, perseverance, sportsman spirit, and teamwork, and to encourage the public at large to take up sports and make it an integral part of their lives.

National Sports Day is celebrated in India on August 29 to commemorate the birth anniversary of the hockey legend, Major Dhyan Chand. This year we celebrated Major Dhyan Chand's 117th anniversary. An assembly was presented by the students of Class 1-A to celebrate this occasion.

Our respected Headmistress ma'am, in her motivating speech, encouraged children to participate in different sports to be fit and healthy. The assembly ended with a song, promoting the importance of sports.
