

## Blood Donation Camp in JKPS

Blood donation is a small act of kindness that does great and big wonders.

A blood donation camp was organized on **31 December** in the school premises by the **Community Outreach Club** of JKPS in association with **Lions Blood Centre, Shalimar Bagh**. The camp was held from 8 am to 1 pm in the Assembly Hall. Staff members as well as the parents volunteered enthusiastically for this noble cause. **Dr. Vibhuti Bhatnagar** from the Lion's Blood Centre along with her team made the necessary arrangements for the camp.

The camp received a good response as many parents availed the opportunity and contributed to the noble cause. The screening was done for all the volunteers to check their haemoglobin, blood pressure and pulse rate. Healthy donors further contributed to this noble cause. A Certificate of Appreciation, donor card, refreshments and a memento were given to each donor as a token of gratitude. We believe that this act of kindness will surely bring a smile to many faces.
