Enrolment for SOF & Hindi Olympiads (Classes III to XII)

Dear Parents

Greetings!

In today's rapidly evolving world, it's more important than ever for students to develop critical life skills such as analytical thinking, mental agility, and effective problem-solving. At JKPS, we are committed to nurturing these skills and offering meaningful opportunities. One such initiative is our collaboration with the **Science Olympiad Foundation (SOF)** — an esteemed platform that encourages academic excellence and a spirit of healthy competition.

SOF is a globally recognized, non-profit organization that conducts Olympiad examinations in **Science, Mathematics, English, and General Knowledge** for students from Classes I to XII. These competitive exams help young learners challenge themselves, deepen their understanding, and build confidence.

We're also pleased to inform you that CBSE has introduced the **Hindi Olympiad**, offering students a valuable opportunity to strengthen their command over the Hindi language. These exams are entirely optional but highly recommended for interested students.

Parents who are interested in enrolling their wards for the upcoming Olympiads may do so by following the guidelines below:

- The enrolment fee for each Olympiad is as follows:
 - SOF Olympiad – ₹125/- per subject
 - CBSE Hindi Olympiad – ₹130/-
 - Commerce and Entrepreneurship Olympiad – ₹120/-
- Please make the payment in cash to the class teacher and ensure that the exact amount is submitted.
- The last date for enrolment is **Friday, July 25, 2025**. We encourage all interested parents to complete the registration by this date.
- Examinations will take place during regular school hours.
- Admit cards will be distributed within the school to ensure a smooth and convenient process for all.
- To support students in their preparation, parents may choose to purchase additional practice material from www.mtg.in.
- Students will receive regular updates and important information on their registered mobile numbers.
