## Enrolment for International Talent Olympiad (Classes I & II)

Dear Parents

Greetings!

In today's rapidly evolving world, it's more important than ever for students to develop critical life skills such as analytical thinking, mental agility, and effective problem-solving. At JKPS, we are committed to nurturing these skills and offering meaningful opportunities. One such initiative is our collaboration with the **International Talent Olympiad (ITO)** — an esteemed platform that encourages academic excellence and a spirit of healthy competition.

ITO offers thoughtfully designed Olympiad exams in subjects such as **Science, Mathematics, English, General Knowledge, and Logical Reasoning**, catering even to young learners in **Classes I and II**. These examinations aim to spark curiosity, enhance subject understanding, and develop analytical thinking skills from an early age.

These exams are **entirely optional** but highly recommended for interested students.

**Parents who are interested in enrolling their wards for the upcoming Olympiads may do so by following the guidelines below:**

- The enrolment fee for ITO is ₹150/- per subject.
- If a student enrolls for three subjects, there will be no enrolment fee for the fourth subject.
- Please make the payment in cash to the class teacher and ensure that the exact amount is submitted.
- The last date for enrolment is **Monday, July 21, 2025**. We encourage all interested parents to complete the registration by this date.
- Examinations will take place during regular school hours.
- Admit cards will be distributed within the school to ensure a smooth and convenient process for all.
- To support students in their preparation, parents may optionally purchase exam preparation resources such as:
  - Booklet: ₹220/-
  - Workbook: ₹110/-
  - Previous years' question papers: ₹160/-
- Students will receive regular updates and important information on their registered mobile numbers.
