## **STREAM ALLOCATION**

### **For Class XI (2026-27)**

**Dear Parents**

**Greetings!**

At JKPS, we are committed to nurturing each student's potential and guiding them toward informed decisions that lead to a successful future. The transition from Class X to Class XI is a crucial academic milestone, as stream selection has a significant influence on future academic and career pathways.

To support this process, the school has organised initiatives such as a **Mega Career Fair**, along with orientation sessions and aptitude assessments, offering students valuable guidance to identify their interests and strengths through a collaborative effort of parents, teachers, and alumni.

Parents are encouraged to help their children choose streams and subjects based on aptitude and interest, free from peer pressure. Thoughtful discussions and careful consideration of aspirations will help students pursue paths aligned with their skills and passions.

Details of the streams and subject combinations for the academic session **2026–27** are provided in **Subject Option Form (Annexure I)**. Parents are requested to review the same and submit it to the respective class teachers **by Monday, January 12, 2026**.

For any queries or assistance, please contact the school at **streamallocation@jkps.org**
