

VIVEKANANDA PAATHSHALA

JANUARY 2023

“Education is the premise of progress, in every society, in every family.”

The month of January 2023 brought with itself a new wave of exuberance as Vivekananda Paathshala students came back refreshed after the winter vacations. A great variety of interactive activities were organised for the children who actively participated in them as well.

Each new day is a blank page in the diary of your life. The secret of success is in turning that diary into the best story you possibly can. With this thought in mind, the students were introduced to a variety of new mathematical and linguistic concepts. The objective was to facilitate their creative expression and analytical skills.

Students and staff of JKPS never hold back when it comes to social service, we have always considered ourselves to be blessed enough to be of service to the disadvantaged, infirm and differently abled. The month of January and its activities established the same. The students were happy to receive the guidance from the teachers and Jaspalians in their studies as their exams were approaching.
