They also shed light upon the idea that how important Discipline is in all aspects of education like intellectual, moral, spiritual, and social. They also discussed that how imperative self-control is and that parents' coordination is an essential part.

**TEACHERS' WEBINARS AND WORKSHOPS FOR THE MONTH OF OCTOBER
SESSION 2021-2022**

Topic: CBSE-Webinar series on Competency-Based Question Development-reg.--SCIENCE

Date: 5 October 2021

Resource Person:

Dr Shweta & others

About the Webinar:

The webinar discussed in detail the Curriculum-Based Assessment. It also shed light upon the idea of self-paced individual learning and on how teachers should provide a linkage to students between what is taught and the real world. The spokesperson

The screenshot shows a webinar interface. At the top, a black banner reads "Webinar Series on Competency Based Question Development - Science". Below this, four small video thumbnails show participants. The main content area features a blue slide with the title "Constructive Alignment" in white. A white triangle is centered on the slide, with "Learning Outcomes" at its top vertex, "Teaching and Learning Activities" at its bottom-left vertex, and "Assessments" at its bottom-right vertex. A small green circular logo is visible in the top right corner of the slide. On the right side of the webinar window, a larger video thumbnail shows a woman speaking in front of a bookshelf.
