

Report on Virtual and Physical Visit to Upasana Special School

On Tuesday, May 10, 2022, Jaspal Kaur Public School organized a Virtual Visit to Upsana Special School. The purpose of the visit was to interact with and enlighten the students of Upasana Special School.

The session began by rendering a pious Shabad to almighty which was followed by lighting the ceremonial lamp. Our revered principal Ms. Asha Saran Srivastava edified the students with her positive and inspiring thoughts.

Next in line was a melodious musical recitation of the action song ‘Wavin’Flag’ by our little Jaspalians. It was wonderful to see how they came out equally graceful, even on a virtual platform. To make the event further enjoyable, a story dramatization ‘I’m possible’ was presented. Everybody was stunned to see our young buddies performing amazingly. It was followed by a warm interaction between our students and kids of Upasana special school.

The event ended by paying tribute to the nation with the National Anthem and expressing gratitude towards everyone who made this virtual meet a success and all those who could take out their precious time and be present. It was indeed a great and memorable visit for Jaspalians as well as the students of the Upasana Special School. JKPS also contributed and gave away some stationery items for rendering academic support to the students of Upasana Special School.
