## CHRISTMAS CELEBRATION

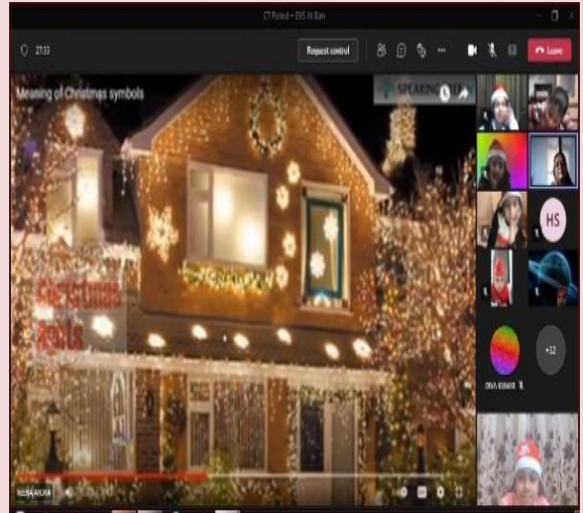

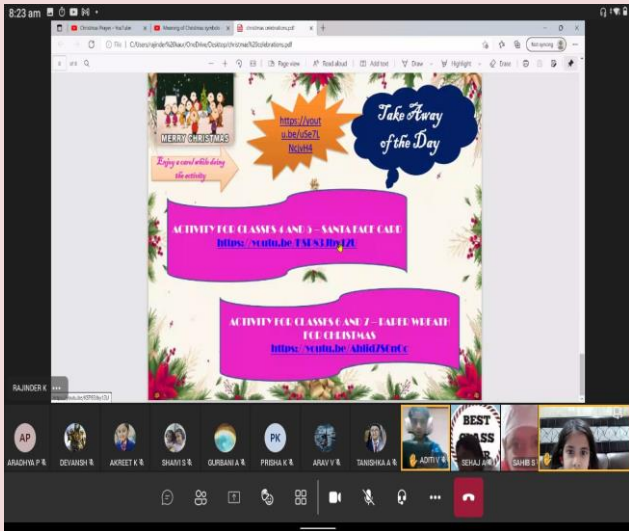

### CLASS IV-VII

***“In him was life and that life was the light of men.”***

Jesus came to show the light of God’s great love towards us. To spread his message of love and harmony we celebrated Christmas Day with our students. The assembly started with a melodious prayer, followed by the audio-visual links highlighting the birth of the SON OF GOD- Jesus Christ and his teachings-to be respectful, forgive, be kind and always remember god. The students were also told about the meaning of symbols linked to Christmas celebrations. They also enjoyed the video about the story of Santa Claus. Various fun-filled art activities were also organized for the students. Class IV and V students made a beautiful Santa Claus Card and class VI and VII.
