ACTIVITY REPORT

Teachers' Day Activity – Promise Coupons

Students of classes I, II, and III participated enthusiastically in the Promise Coupon Making Activity on September 7, 2022. They made and pasted promise coupons in their gratitude journal and wrote promises to be self-disciplined students. The main objective was to promote discipline among students and instil the value of keeping their promises.

ASSEMBLY REPORT

Assembly– Make sports your daily diet

It's rightly said, "Sports do not build character, they reveal it."

Whether it is Virat Kohli hugging Babar Azam or Neeraj Chopra defending Arshad Nadeem, sports have become a way of building better and more sustainable relationships. Sports is one of those things that transcends all man-made boundaries. Sports Day is celebrated across the world to honour sports.

National Sports Day is dedicated to our nation's sports heroes and champions, honouring their contribution and dedication to bringing laurels to the country. The day is celebrated to raise awareness about the values of sports: discipline, perseverance, sportsman spirit, and teamwork, and to encourage the public at large to take up sports and make them an integral part of their lives.

National Sports Day is celebrated in India on August 29th to commemorate the birth anniversary of hockey legend, Major Dhyan Chand. This year we celebrated Major Dhyan Chand's 117th anniversary. The assembly to celebrate this occasion was presented by the students of Class 1-A.

In her motivating speech, our respected Headmistress ma'am encouraged children to participate in different sports to be fit and healthy. The assembly ended with a song, promoting the importance of sports.

Assembly– Teachers’ Day

Students of class I B presented their first assembly on Teachers’ Day by praising their teachers. They showed their gratitude and respect by reciting a ‘shloka’. Students gave information about Dr. Sarvapalli Radhakrishnan whose birthday is celebrated as Teachers’ Day. They showed their gratitude by singing a song. The assembly ended with a song on which students danced and enjoyed.

Assembly on Teachers Day 1 B

Assembly – Honest Hearts Produce Honest Actions

Honesty is not just about telling the truth. It's about being real with yourself and others. Honesty promotes openness, empowers us, and enables us to develop consistency in how we present the facts. The students of Class I B conveyed the above message effectively through their special assembly on Honesty. The assembly began with the prayer followed by the thought for the day and a short story. The moral of the story was well taken by the students that honesty is the best policy and being honest in life always leads to success. They understood that speaking the truth may sometimes put us through hardship, but ultimately it results in success. To stand up for the truth requires a great deal of courage but at the end of the day, it's worth the effort. The assembly turned out to be very informative. The students displayed immense confidence and inspired all to be honest. A melodious song helped in conveying the concept better.
