

## RECORD OF TEACHER WORKSHOP FOR APRIL AND MAY 2022

S.No	Date:	Topic:	Resource / Presenter:	Learning Outcomes:	Evidence:
1.	April 02, 2022, Saturday	Awareness talk on Autism Spectrum Disorder	Ms. Shruti Sethi	The resource person immaculately laid emphasis on the various conditions that come under the spectrum, and the characteristics for early diagnosis. She also discussed in detail the strengths of Autistic children and how can we use them for creating an inclusive environment in the school.	 <p><b>Early Intervention is the key:</b></p> <ul style="list-style-type: none"> <li>• Studies have shown that Early Intensive Educational Interventions result in improved outcomes for the child and the family.</li> <li>• Initial strategies may include: <ul style="list-style-type: none"> <li>➤ Teaching the child to notice what is going on in the environment</li> <li>➤ To be able to pay attention</li> <li>➤ To imitate the behavior</li> <li>➤ Later we can progress to teaching communication skills</li> </ul> </li> </ul>
2.	April 23, 2022	ACP – Awakening workshop	Mr. Tarun	Awakening is a unique education program to provide the right orientation to young children to adopt the values of volunteering and to enable them to respond to life challenges when they grow up. The workshops imbibed in us various ways of how to act as a facilitator for the children rather than as an educator.
