

## VISIT TO SOS VILLAGE- BAWANA

*“Be the reason someone smiles. Be the reason someone feels loved and believes in the goodness of people”*

The JKPS fraternity, in sync with our motto, Shubh Karman Te Kabhoo Na Taro, has always tried to put our best foot forward in sharing our blessings with the underprivileged members of our society. Our young Jaspalians paid a visit to the SOS village in Bawana on 26 November 2022 to observe the campus, understand the functioning of the institution and contribute our part in helping the children living there.

It was endearing to see such a loving and close-knit set-up of family-like care systems. The campus was beautifully well maintained and Jaspalians interacted with the kids and their caretaker mother as well.

SOS Children’s Villages helps youngsters and families in need in more than 130 countries. All these young residents are given a family, lots of love, and warmth along with secure prospects in their new home.

Our school students distributed stationery items including pens, oil pastels, markers, registers etc to help the children with their basic scholarly pursuits. All the young minds present there exhibited such amazing talents and reflected hope and love in their eyes. It was truly a pleasure to share a few moments with all of them!
