A session of 'Rangoli Making' was conducted in Vivekananda Paathshala on 11 October, 2019. Children participated wholeheartedly in the activity. The activity aimed at developing team spirit and sense of caring. Children put in lot of effort to create these designs. Rangoli colours, mirrors etc. were used in making the rangoli. Students were also given sweets and stickers. The artistically coloured and decorated rangolis were a treat to the eyes.
