

Activity: Diwali Decoration Items (Vocational Craft)

Date: 15-10-19

JKPS has been making efforts to provide not only academics- based education to the students of Vivekananda Paathshala but also various other aspects of education such as Food and Nutrition, Sports and Fitness, Personal Hygiene and cleanliness too for their over-all development. On 15th Oct a Vocational Training based activity was held at JKPS for the students of Vivekananda Paathshala. Students were taught to make decoration items for festivals by using easily available material such as **bangles, wool, cardboard, adhesive** etc. The students showed lot of interest and enthusiasm in learning this vocational craft. Under the guidance of JKPS staff, the students came up with many creative ideas and made wall hangings, candle holders, pen stands, flower vase, jewellery box and other beautiful items. Through this Vocational Activity students were given an opportunity to become more confident and independent by acquiring and enhancing their craftsman skills. They were gifted pencils, pouches, colours and colouring books at the end of the session.
