

## **ACTIVITY: Diya and Candle decoration**

**DATE: 22nd OCTOBER 2019**

Vivekananda paathshala is an integral part of JKPS community service. This inculcates the spirit of humanity. Children made Diwali diyas and decorated them beautifully. This activity enhanced their aesthetic sense. The children were told that Diwali is a festival of lights. They were explained to celebrate cracker free and ecofriendly Diwali.

JKPS took pride in distributing packets for Diwali containing erasers, mixtures, snacks, candles, biscuits, sweets, pencils, colors, sharpners and notebooks for paathshala children.

All these activities added a feather to the cap of JKPS in the field of service to the humanity and mankind which instilled the festivity fervour.
